

To _____

In the so-called Nuremberg Code, which was developed during the trial against the war criminals being part of causing the devastation of the second world war, it is clearly expressed that:

Nuremberg Code #1 "No person should be forced to take a medical experiment without informed consent."

By demanding that your customers or employees must display a so-called Corona Passport or Vaccine Passport, you are clearly violating this law and will be prosecuted for crimes against humanity in due time. In the Nuremberg trials, it was also clearly expressed that each person is responsible for his own actions. It is not an excuse to say that you only followed national laws and recommendations if this includes ie putting pressure on your customers to take experimental, untested injections and/or medical testing procedures.

Many media, political and non-medical persons are telling people to take the Covid shot. They offer no information as to the adverse effects or dangers of this gene-therapy. All you hear from them is – “ safe and effective” and “ benefits outweigh the risks.” Countries are using lockdowns, duress and threats to force people to take this vaccine or be prohibited to participate in free society under the mandate of a Vaccine Passport or Green Pass. During the Nuremberg trials, even the media was prosecuted and members were put to death for lying to the public, along with many of the doctors and Nazis found guilty of Crimes Against Humanity.

Nuremberg Code #2: Yield Fruitful Results Unprocurable By Other Means

As listed above, the gene-therapy does not meet the criteria of a vaccine and does not offer immunity to the virus. There are other medical treatments that yield fruitful results against Covid such as Ivermectin, Vitamin D, Vitamin C, Zinc and boosted immune systems for flu and colds.

Nuremberg Code #3: Base Experiments on Results of Animal Experimentation and Natural History of Disease

This gene therapy skipped animal testing and went straight to human trials. In mRNA research that Pfizer used – a candidate study on mRNA with rhesus macaques monkeys using BNT162b2 mRNA and in that study all the monkeys developed pulmonary inflammation.

Nuremberg Code #4: Avoid All Unnecessary Suffering and Injury

By the end of December 2021, the CDC VAERS reporting system in the US had reported over 20,000 deaths and 900,000 vaccine events. In the EU the numbers are even higher, see <https://vaxxtracker.com/VaxStatistics.aspx>. This is a grievous violation of this code.

Nuremberg Code #5: No Experiment to be Conducted if There's Reason to Think Injury or Death Will Occur

See #4, based on fact-based medical data this gene-therapy is causing death and injury. Past research on mRNA also shows several risks that have been ignored for this current trial gene-experiment.

Nuremberg Code #6: Risk Should Never Exceed the Benefit

Covid-19 has a 98-99% recovery rate. The vaccine injuries, deaths and adverse side-effects of mRNA gene-therapy far exceed this risk. The use of “leaky” vaccines was banned for agriculture use by the US and EU due to the Marek Chicken study that shows ‘hot-viruses’ and variants emerge... making the disease even more deadly. Yet, this has been ignored for human use by the CDC knowing fully the risk of new deadlier variants emerge from leaky vaccinations. The CDC is fully aware that the use of leaky vaccines facilitates the emergence of hot (deadlier)strains. Yet they've ignored this when it comes to human

Nuremberg Code #7: Preparation Must Be Made Against Even Remote Possibility of Injury, Disability or Death

There were no preparations made. This gene therapy skipped animal trials. The pharmaceutical companies' own Phase 3 human clinical trials will not conclude until 2022 /2023. These vaccines were approved under an Emergency Use only act and forced on a misinformed public. They are NOT FDA-approved.

Nuremberg Code #8: Experiment Must Be Conducted by Scientifically Qualified Persons

Politicians, media and actors claiming that this is a safe and effective vaccine are not qualified. Propaganda is not medical science. Many retail outlets such as Walmart & drive-through vaccine centers are not qualified to administer experimental medical gene-therapies to the uninformed public.

Nuremberg Code #9: Anyone Must Have the Freedom to Bring the Experiment to an End At Any Time

Despite the outcry of over 85,000 doctors, nurses, virologists and epidemiologists – the experiment is not being ended. In fact, there are currently many attempts to change laws in order to force vaccine compliance. This includes mandatory and forced vaccinations.

Nuremberg Code #10: The Scientist Must Bring the Experiment to an End At Any Time if There's Probable Cause of it Resulting in Injury or Death

It is clear in the statistical reporting data that this experiment is resulting in death and injury yet all the politicians, drug companies and so-called experts are not making any attempt to stop this gene-therapy experiment from inflicting harm on a misinformed public.

What can you do to help put an end to this crime against humanity? Share this information. Hold your politicians, media, doctors and nurses accountable – that if they are complicit in this crime against humanity they too are subject to the laws set forth in the Geneva Convention and Nuremberg Code and can be tried, found guilty and put to death. Legal proceedings are moving forward, evidence has been collected and a large growing body of experts are sounding the alarm.

If you don't take action and change your policies before _____ this letter of notification will be uploaded on www.peoplescourt.org, along with a recommendation for all your customers and employees to boycott your company/institution until you have corrected this breach of the Nuremberg Code. You will also be charged with these accusations in a court of law and held economically and legally responsible for all the damage you might have inflicted on your employees/customers
