

Stop the Mass Murder!

1. The vaccine project does not meet the criteria for a medical study. No informed consent, no serious follow-up.
2. Probably 2-20 million dead worldwide and many more injured / disabled
3. Autopsy results have shown attack on internal organs with accompanying immune deficiency due to overexertion of the immune system.
4. > 4-fold increase in Covid mortality and > 2-fold increase in spread after "wax" according to a study based on 154 countries.
5. 40% increase in mortality among people of working age in the US and India according to life insurance statistics
6. Many cancers, neurological diseases, cardiovascular diseases and fertility problems have increased more than fivefold among the US military after introducing the "vaccine"
7. New kind of blood clots found by embalmers in "the vaccine".
8. Undeclared content with magnetic properties in some of the ampoules.
9. Preventive and curative / palliative treatments have been actively opposed by the authorities and the media, e.g. Ivermectin, Vitamin D, Vitamin C, Zinc and Hydroxychloroquine.
10. It is a false pandemic based on fake PCR tests, manipulated death statistics and a new definition of vaccine/pandemic

- Each of the 10 facts presented earlier would have been enough to immediately stop the rollout of the Covid 19 vaccine if our governments and authorities really cared about our health.
- Relying on study produced by the pharmaceutical companies is like donating your last money to an intoxicated drug addict who has been convicted 15 times for gross fraud and believing that they will be paid back!
- The authorities have received information through repeated notifications of liability and have not yet stopped the distribution of these dangerous, ineffective and genetically modifying medicines!
- They even recommend them to pregnant women and children!
- The mainstream media is still promoting the "vaccines" and is almost completely silent about the side effects.
- This give the conclusion it must be a premeditated, planned since decades ago.
- The wax must be stopped immediately and from the time this information has been presented, each injection shall be considered an murder attempt!
- Print the flyers and give to everyone you meet, talk to them and tell them that they can scan the QR code for more information. It is now a matter of saving as many lives as we can!
- Report healthcare professionals, politicians, police officers, principals, etc. who continue to promote this murderous agenda to www.peoplescourt.org or send an email with the report to info@peoplescourt.org and tell the perpetrators that they will end up in prison if they does not cease their criminal activities immediately.
- The truth about the vaccine disaster can not be hidden for long and those responsible will be brought to justice!
